

There is no better way to increase your visibility and credibility among influential medical practice administrators and managers than by becoming a Partner of the Washington State Medical Group Management Association.

**Open to marketers of products and services for medical practices.**

Your partnership with the WSMGMA translates into instant recognition among Washington state medical group practice members. It tells them you support their association, understand their needs and offer solutions to their challenges.

***Please note:** The WSMGMA Partners Program includes only the benefits and discounts outlined here. Participation does not constitute membership nor does it include member privileges in the organization or access to the confidential pages on the WSMGMA web site.*
